ooo

Bell Ringing

Groups of student council members volunteered for Salvation Army during the holiday season and did bell ringing at Hyvee and Walmart.

ooo

Winter Movie Night

Before winter break, we hosted a free indoor movie night in the BHS auditorium. Visitors watched The Grinch while enjoying treats and coloring pages.

VFW Pancake Feed

Members of our student council volunteered at the VFW Pancake Feed in December. We helped by serving meals and drinks to all of the visitors

ooo

Christmas Party

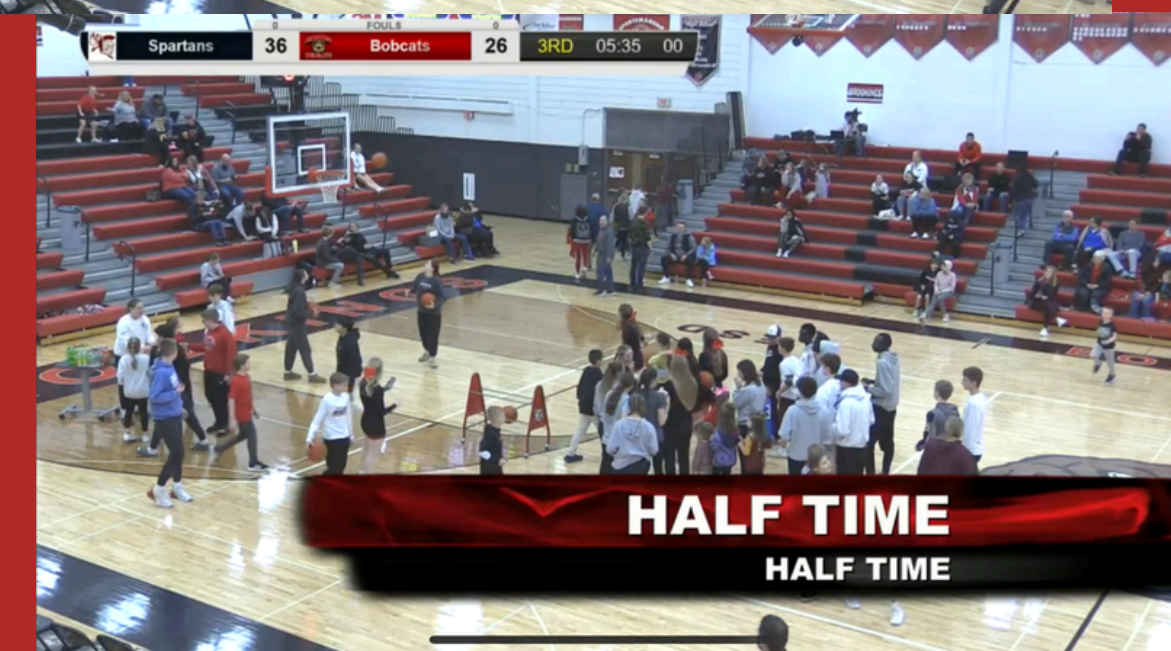

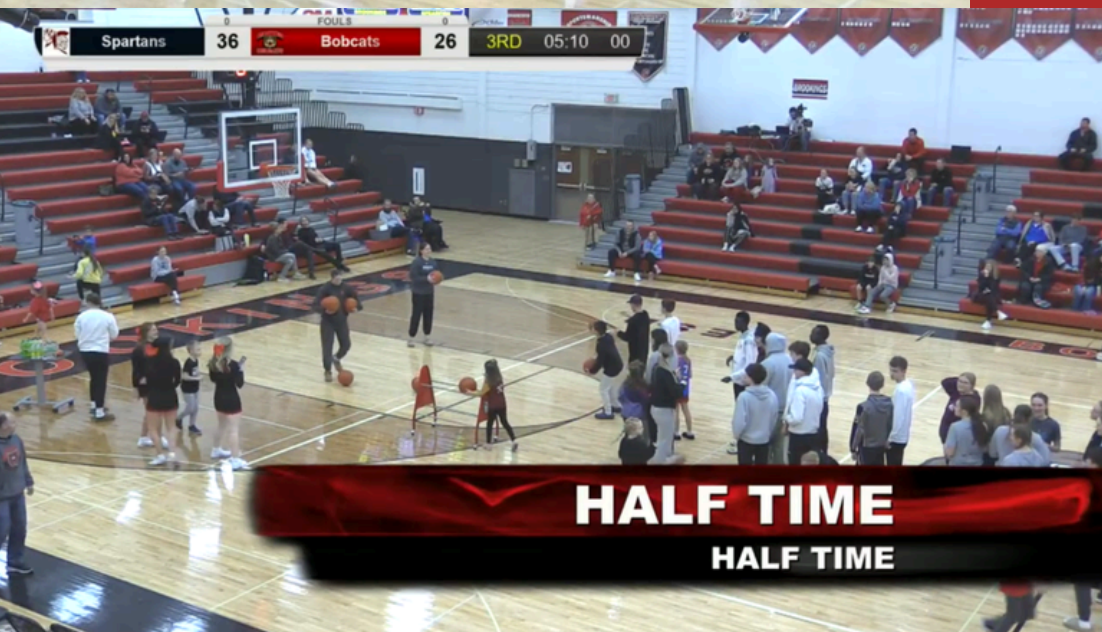

During Christmas break, our group gathered to participate in a traveling dinner and white elephant. We also played bingo and sang karaoke.

ooo

Pop-a-Shot

During half-time of home basketball games student council hosted Pop-a-shot. Students age highschool and younger came out of the crowd and payed \$1 per shot to a student council member and received a basketball to shoot. High schoolers shot from the free-throw line or 3-point line, younger kids shot from infront of the free-throw lane depending on age. Students recieved a pop of their choice if they made their shot.

ooo

Sensory Formal

To wrap up Disability Awareness Week, our student council and Peer-to-Peer class worked together to host a Sensory Friendly Formal, because every Brookings High School student should feel welcomed and included, no matter the necessary accommodations. This dance was intended for any student who may feel overwhelmed at a regular highschool dance.

ooo

Winter Formal

A big event hosted by the student council is our formal, but this year we decide to do two, one in November and one in February. Our student council does the planning, decorating, and cleaning of our formals and we plan to put on two again next year.

ooo

Coin Wars

During Homecoming of the Arts week, we hosted a Children's Miracle Network fundraiser. We chose to raise money by hosting a school-wide penny war.

Amount raised: \$447

ooo

Outstanding Award

The BHS Student Council received the state's Outstanding Student Council Award. Receiving the Outstanding Student Council award means they have met the standards of having well-rounded programs that benefit their school, community, and state.

spirit

Homecoming of the Arts was celebrated at BHS throughout the week of March 17-21. This week highlighted band, choir, orchestra, marching band, winter color guard, and winter drumline. To celebrate we put out dress up days for students to dress up, as well as a coin wars for students to participate in. During this week there were pictures of the Arts on a slideshow presented on all of the TVs in the High School. We also had a trivia question everyday of the week in the announcements regarding questions about the Arts, and rewarded the first person to answer correctly a starbucks gift card. Likewise, students who showed up to support the spring choir and orchestra concerts were entered into a drawing for a gift card.

ooo

High school helpers at Medary

Like many other elementary schools, Medary celebrates the end of the school year with an ABC countdown. A few of our members walked down to Medary and played games with the students for Highschool Helper Day!

Upcoming Events

End of the Year Outdoor Movie

Similar to the fall, we're hosting an outdoor movie night for all BHS students. It will be this upcoming Friday, we'll have free snacks, and we had the students vote on the movie they wanted to watch.

End of the Year Banquet

On Monday, May 19th we plan to host a banquet for student council members and their family to attend. At this banquet we will have pizza with members bringing desserts and drinks. We will be passing out letters to those who lettered in Student Council and certificates to all Student Council members. There will be a slideshow with pictures and highlights of our year for parents to see and for members to reminisce over all of our hard work this year.

Reading at Medary

Next week, we will be back at Medary to read with the younger students. This will be for their R day.

Senior Breakfast

Our Council will help host the 2025 senior breakfast.

We will hand out superlatives to seniors and give them a chance to give advice to incoming freshmen. Furthermore, we will have an area for seniors to drop off Bobcat merch they have no use for, for our Bobcat rummage sale.

**THANK YOU
SO MUCH!**
