## **Kim Ristesund**

**Teacher at Camelot Intermediate School**

**Ms. Ristesund teaches 4<sup>th</sup> grade and has been the absolute BEST this year! She has been flexible, encouraging, supportive, yet firm with my learner. She brings a level of wit that creates a fun environment for her students and has allowed my son to really connect. You sense her many years of experience and her ability to focus on what matters most and what is most relatable for the 4<sup>th</sup> graders.**
