

EARLY OUT DISCONTINUATION CONTRACT

B.H.S. believes it is in the student's best interest to complete B.H.S. classes with a "C" average or above to allow him/her further academic post high school opportunities. Early out students who do not maintain passing grades are encouraged to resume the status of a full-time student and complete all four (4) years of high school.

Where upon a teacher indicates academic failure in an early graduate's course and that course is an advanced class scheduled to secure early graduation, a teacher may recommend said student drop the class without penalty and return to the regular 4-year plan. The dropped class would again be taken in the normal 4-year sequence but at a later date.
