Highlights from the Child Nutrition Department

1. Eastern South Dakota Food Buying Group

- a. It was a unanimous vote among the members of the buying group to continue with Performance Food Group as our prime vendor for the upcoming school year. The option of rolling over our contract for the 2024-25 school year is the second option of a rollover with our existing contract.

2. Brookings High School Hot Water Heater

- a. With no hot water available at the High School in early March, this impacted our ability to have production in this kitchen. We were able to offer limited menu options at the High School for three days and there were also adjustments to the menu at both Camelot and Medary.
- b. Thank you to everyone involved for quickly adjusting to what could be offered!

3. Health Inspection Results

- a. The remaining health inspections were completed for the spring:
 - i. Brookings High School: 100
 - ii. Mickelson Middle School: 100
 - iii. Day School: 96
